IAAF Certification System

Thank you for your application for the certification of your products by the International Association of Athletics Federations.

I am very pleased to confirm that the following types of your hammer handles were tested in accordance with IAAF approved testing procedures and meet the requirements of IAAF Rule 191.7:

UW-110 (curved grip, inside width 110 mm)
UW-115 (curved grip, inside width 115 mm)

UP-110 (straight grip, inside width 110 mm)
UP-115 (straight grip, inside width 115 mm)

We are convinced that the Certification System will serve and protect athletics manufacturers around the world and will also encourage the use of better quality products in international competitions.

Yours sincerely,

Imre Matrahazi
IAAF Technical Manager
